Chief Commissioner of Mysore

Sir,

I have the honor to submit for the sanction of the Chief Commissioner a Proposition Statement, in regard to the transfer of an item of Rupees 1,620/- per annum from District Police Budget to that of Assistant Superintendent of Police, to provide for the entertainment of a Head Quarter Inspector (School Instructor) on Pay Rupees 100 + 15 = Rupees 115 and 2 Drill Instructors on Rupees 12 and Rupees 8, the total cost being Rupees 135 per mensem. This charge will be met by the reduction of 3 Sub Inspectors now in charge of District Schools on Salaries of Rupees 35 + 10 @ = Rupees 135 per mensem.

2. I confidently anticipate that better instruction will be imparted by one qualified Inspector at Head Quarters than is done by the Sub Inspectors at District Head Quarters.

3. In anticipation of sanction, I have made the necessary alterations in the Budget for 1878-79 and request that the Deputy Accountant General may be instructed accordingly.

From The Inspector General of Police

To, The Secretary to the
Chief Commr of Mysore.

Sir,

I forwarding copies of Correspondence noted in the margin regarding the pay of the School Inspector, I have the honor to request you will be good enough to lay the case before the Chief Commissioner for orders.

No. 1607/197 819 "Feby 78 to Dy Accte Genl
No. 27/3 85 "April 78. from the Apte Supdt of Police to Dy Insp Genl.
No. 39 dy. 8" April 78 to Dy Accte Genl
No 108 810 "April 78. from Dy Accte Genl.

2 The pay of the School Inspector is debitable from the Savings effected by the reduction of 3 Sub Inspectors in the Districts of Bangalore Kolar and Tumkur, and is therefore wholly debitable to Government as will be seen from the Proposition Statement submitted with this Office letter No. 706/119 dated 8" October 77.

3 In the Proceedings of the Chief Commr No. 7264/6330 dated 8" November 77, when passing the Budget Estimates for the Police Department for 1878-79. the sum provided for the School Inspector is treated as wholly payable by Govt, but the Deputy Accountant General is of opinion that one third of the charge might be equally divided between the two Municipalities.

4 I beg to State for the information of the Chief Commissioner that the entertainmen

of a School Inspector at Bangalore was principally intended to impart a better system of instruction to the men of the District Police under the direct control of the Deputy Inspector General, supervised by the Assistant Superintendent of Police; but as it is doubtless true that the Cantonment and Petta Police will likewise benefit by the School, it seems but fair to apportion the charge as recommended by the Deputy Accountant General, and I therefore request the orders of the Chief Commissioner. Should the Chief Commissioner be of opinion that one third of the charge should be borne by the Municipality, I beg that necessary orders may be issued to eliminate the item from the Budget of the Assistant Superintendent of Police and the same transferred to that of the District Police, the amount being drawn by the Deputy Inspector General for disbursement to the Inspector.

I have the honor to be
Sir,
Your most Obedient Servant.

With reference to the Proceedings of Chief Commissioner's No. 6861/1026 dated 22nd ult. October 1877 has the honor to state that orders have been issued to reduce 3 Sub Inspectors from the 1st Proxcimo. As this amount will be available and as it is charged wholly to Government there can be no objection to draw the amount from that date as the appointments of Hd. Qr. Inspector and Drill Instructor have been sanctioned by the undersigned one month earlier in view to the necessary arrangements being set on foot to establish the School and get it into working order before the 1st April.
